LAWRENCE R. STIDHAM, ATTORNEY

September 22, 2016

To Whom It May Concern:

As General Counsel for the Lytton Rancheria of California, I have worked with Tom Rodgers for the past eleven years. I can, without hesitation, speak to his character and qualifications as a lobbyist and advocate for Indian Tribes and individuals.

Tom and I have worked diligently over these past eleven years to address the needs of the Lytton Tribe in Congress and with the various federal administrative agencies. I have found Tom to be a tireless advocate. He has always been willing to "go the extra mile" to get things done and has always acted in a professional manner.

In my opinion few other lobbyists or advocates can match his zeal in representing his clients. He has the highest moral character and has been a valued member of the "Lytton Team". Quite simply, he has my highest recommendation. Tom will be a valued asset for anyone using his services.

Sincerely,

Lawrence R. Stidham
